## Our Course Leaders

### Dr Amit Kotecha

*BDS (U.Lond) FDS.RCS (Eng) LDS.RCS (Eng) AKC. Specialist Oral Surgeon.*

Amit is a Specialist Oral Surgeon. He has run a successful Private Specialist and Implant clinic for 26 years. He started placing and restoring implants on 1992. He has taught implant dentistry at the University level and has worked with some of the greatest names in Implantology. His passion is full arch implant rehabilitation. Changing lives one smile at a time. He is an avid adventurer having climbed on Everest 3 times, raising £117k for Cancer Research UK. In the program, he is very helpful

and willing to teach and instruct others in a very professional and pedagogic way but at the same time a friendly way." (Professor Goran Urde)

### Dr Savan Zala

*BDS (Lond) MFGDP (RCS), MSc (DENTAL IMPLANTS)*

Savan, a Dental Surgeon from Guys, Kings & St Thomas' London (2004), trained extensively in Oral Maxillofacial and Community Dental Services in Sheffield and Leeds. Specialising in Dental Implants and Advanced Restorative Care, he has over a decade of experience in private practice, catering to anxious patients. With a Masters in Implant Dentistry

(MSc Dental Implants), Savan is deeply involved in academic and practical aspects of dental implant rehabilitation. He currently mentors dentists and serves as a Visiting Implant Dentist across multiple UK dental clinics, focusing on enhancing skills in dental implant procedures.
